

INTERNATIONAL ON-LINE CONFERENCE

We cordially invite you to participate in the FREE international conference entitled:

„Learning from Culture Shocks - Addressing the challenges of international students: a positive way to working with cultural differences, creating connections with local students“

and it is combined with workshops.

The theme of the conference are modern tools and technologies supporting dealing with intercultural conflicts in the academic environment.

The event will take place on October 8, 2020 at the University of Social Sciences in Łódź, in the on-line form, at 09:00 CET. The conference and discussion will be conducted in English.

As part of the event:

- you will learn how to improve intercultural skills and ways of dealing with conflict situations in different countries of origin,
- you will learn about various practices from 5 European countries: Austria, France, Germany, Poland and Portugal,
- you will take part in a selected workshop ...
- you will learn how to effectively cooperate in a multicultural team in the aspect of higher education,
- during the panel discussion you will have an invaluable opportunity for networking,
- you will receive a free textbook containing ready-to-use training methods and techniques for dealing with intercultural conflict situations as well as examples of critical situations and sensitive zones in the above-mentioned areas,
- you will receive training materials for higher education staff to support professional development (training of educators) as well as a toolkit for intercultural student meetings and the implementation of different formats in partner institutions.

The conference and workshops are aimed primarily at:

- higher education staff, both teachers and advisers,
 - international offices in institutions and higher education offices developing policies for diversity and university management,
 - members of university international offices,
 - student networks and associations,
 - employees of public and non-public employment services,
 - public and adult education bodies and organizations dealing with interculturalism as well as raising awareness of discrimination, racism and cultural conflicts in higher education;
 - members of non-governmental organizations, public authorities and adult education organizations dealing with interculturalism, migration and anti-discrimination,
 - members of organizations such as: Erasmus Student Network, European Student Union and national student associations in partner countries and European University Continuing Education Network EUCEN and national networks (AUCEN / AT, DGWF / DE)
 - employees and volunteers of non-governmental organizations,
 - students and graduates of pedagogy and psychology
- and others related to professional development and social activation,
- foreign students and their communities,
 - Ministries of Foreign Affairs and Education Ministries
 - and everyone else interested in improving their competences.
